

Child's Name _____ Date _____

Photo/Video Release

Occasionally, Dorothy's Discovery Daycare Center uses pictures or videos of the children for promotional purposes such as documenting classroom activities, DDDC website and Facebook page, classroom and center parent newsletters and DDDC brochures. In order to use your child's picture we need your permission. Please initial your acceptance to all that apply or rejection for your child to participate.

- _____ Classroom documentation in the room _____ Classroom documentation in the hallway
- _____ Classroom or Center parent newsletters _____ DDDC brochures/informational sheets
- _____ DDDC website _____ DDDC Facebook page
- _____ DDDC may not publish any pictures or videos of my child in or out of the center.

Topical nonprescription medications

DDDC may apply parent or center provided topical nonprescription medications to your child such as the follow: sunscreen, insect repellent, diaper rash cream, or antibiotic ointment with your written permission. Please provide the Center with a labeled container of sunscreen, insect repellent and/or diaper cream. Please initial your acceptance to all that apply or rejection for your child to participate.

- _____ Sunscreen _____ Insect Repellent _____ Diaper rash cream _____ antibiotic ointment
- _____ No, DDDC may not apply any of the above on my child

Known Allergies, medication alerts and medications

Does your child have any known allergies, food restrictions, medical alerts or take any medication on a regular basis?

We need your permission to post this information in our classrooms for all staff to informed:

_____ Yes, DDDC can post in the classrooms this list of known allergies, food restrictions, or medical alerts with my child's name listed.

_____ No, DDDC may not post in the classrooms this list of known allergies, food restrictions, or medical alerts with my child's name listed.
